How to access Nature Masterclasses On-demand

A guide to signing up for
Nature Masterclasses on-demand
and starting your learning journey.

How to access Nature Masterclasses On-demand

1 Start the registration

- Select *Register* (top right) on the homepage, or visit nature.com/masterclasses/signup

2 Continue to sign up

Sign up to Nature Masterclasses On-demand

Select 'Continue' to find out if your institute, department or lab has a subscription or register as a free user.

Continue

- Select *Continue* to create your account.

3 Find your institution

Are you affiliated with an educational institution?

Select your institution to find out if you have access to a Nature Masterclasses subscription

Start typing your institution's name

Please type only in English and Latin characters. This form is unable to accept other character types.

Continue with selected institution

Not affiliated with an educational institution?

Continue as free user

Need more support? [Contact our Support Team](#)

- Find and select your institution.
- If your institution is not on the list, you can *continue as a free user*.

4

Note your institution's access method

Single sign-on access

Your institution provides access to our subscriber content via single sign-in (SSO). Please select 'Continue' to log in via your organisation's SSO page.

Continue

Need more support? [Contact our Support Team](#)

You will see your institution's access method and relevant details (example shown: single sign-on, SSO).

- **Single Sign-On (SSO):** Please make sure you have your credentials for your institution's Single Sign-On ready. You'll be redirected to your SSO page to authenticate, then returned to continue registration.
- **Email:** Please use your institutional email address during registration.
- **IP range:** Please connect to your institution's network before continuing.
- **Voucher code:** Please have the voucher code provided by your institution ready. After you register and log in, enter the code in the dedicated area on the learning platform homepage to activate access.

SPRINGER NATURE Nature Masterclasses is part of Springer Nature and uses Springer Nature's unified login system.
